March catches us in the long hall of preparing for AIR tests. While this is not the only measuring stick we use to check our individual students' progress, the state test does allow us to look at our school and see how we compare to similar districts. As always our students and staff have been working hard to move forward academically and socially throughout this year. In April, we will start spring AIR testing. Please note the schedule of days each grade or class will be testing. We ask you to **please avoid** scheduling appointments on the days your child/children will be testing. In addition, make sure they get a good night sleep the night before, as that will give them the best opportunity to be successful. On the morning of testing we will be feeding students' breakfast.

As always, we invite you to Bakery Bingo on Saturday, March 21st. We would love to see you there and also would love any help you could lend. This event has been held for several years and is a great school/community event.

A **BIG THANKS** to everyone who participated in our 8th Race for Education. To date, we have raised \$20,500.00 in donations to sponsor our elementary students! These monetary donations will be used for various K-6 needs. The "Race" was held on February 14th and since we met our monetary goal, Mr. Golden will be getting "a special surprise" on April 9th.

We want to recognize the following students for winning prizes: K-3 Amazon gift card winner from Mrs. Percer's room was Zahcarious Howard, and 4-6 grade Amazon gift card winner from Mrs. Schilling's room was Nick Moes. The Dave & Busters's winners are as follows: K-D Levi Voges, K-P Cora Colman, 1K Sam Mundy, 1L Kenzington Kelbley, 2G Ainsley George, 2H Charlotte Lawrence, 3P Paighton Kelbley, 3S Wade Trout, 4B C.J. Huffman, 4S Libby Stauffer, 5B Gavin LaFontaine, 5P Liberty Voges, 6P Lane Rife, and 6U Peyton Hutton.
