

Arcadia's Athletes Need Your Support for new weight room equipment.

Hello Arcadia Sports Parents and Enthusiasts,

As you may know there was a recent announcement made by our Athletic Directors. The Athletic Boosters identified with community insight Arcadia's next major project, which is to outfit the weight room with all new equipment. This project is very important to us because it truly impacts and helps **ALL** athletes.

To provide competitive equipment for our athletes, the project budget has been set for \$45,000. BSN Sports has been awarded the project and will be building and installing the new equipment, and providing a lifetime warranty. The new equipment will be installed during the 2019 summer shutdown. This is a much-needed update and we are excited about this project.

As parents and sports enthusiasts, we are asking for your help to fund the balance of this project. The boosters have committed \$25,000 of past donated funds, through events like the reverse raffle to this project.

We have several levels of donations and ask for your support. All additional monies raised will go towards future projects identified by the Boosters, Athletic Directors and Coaching staffs.

Platinum \$5,000 +
Gold \$1,000 - \$4,999
Silver \$500 - \$999
Bronze \$250- \$499
Iron \$100 - \$249

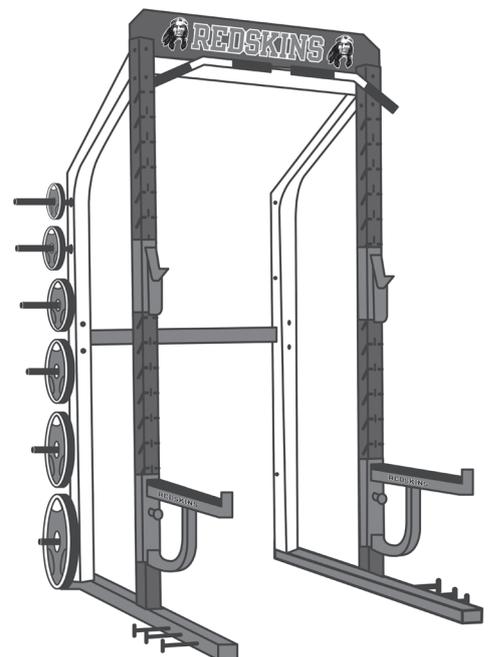

Everyone that donates at these levels will be recognized on a plaque for each student to see who has stepped up to support their sports aspirations, to become the best athlete they can be.

We would like to thank everyone in advance for supporting this project, and look forward to seeing you at one of our many sporting events.

Please make all checks payable to: **Arcadia Athletic Boosters**, in the note line indicate "**Weight Room Project**"
A reminder that the Arcadia Athletic Boosters is a 501 (c) (3) for tax purposes.
